N. T. PATE & CO., Nos. 700 and 702 E. Main St. Richmond, Va.

Office of the Albemarle and Chesapeake Canal Co., }
Norfolk, Va., November 10th, 1880. }

N. T. PATE & Co., Richmond Iron Paint Co. :

Gentlemen :—It affords me pleasure to state that the paint put upon my residence, No. 42 Freemason Street, has stopped all leaks on my roofs. I have been greatly inconvenienced by leaks for many years, and several parties have endeavored to stop it, in fact I caused an advertisement to be inserted in our daily papers offering a premium to any party who could stop the leaks, and after many trials, embracing a period of two years, all failed, until Mr. PATE tried the RICHMOND IRON PAINT, which has removed all the trouble, as there were no indications of a leak in the recent rains. Hoping you may have an opportunity in using your paint on other buildings so suitable,

I am, very truly, your obedient servant,

MARSHALL PARKS.
